

Building a custom home isn't just a huge financial investment... it's also a great investment emotionally. Da Vinci Homes builds custom homes that suit our customers desires, along with implementing the latest advances in energy-efficient features and materials.

The best way to get started and keep the entire process of designing and building FUN, is to find out what it is that suits you best. Please use this questionnaire as a tool to creating your perfect home with DaVinci Homes.

1. What is your budget range? _____
2. How many are in your family? _____
3. Do you like a big kitchen with a large eating area or do you prefer or also appreciate a formal dining room for entertaining? _____

4. At home, I enjoy: (put in order)
____ inviting friends over for entertaining
____ relaxing in my own private retreat
____ watching tv
____ hosting a party
5. This is my:
____ first home
____ last home
____ dream home
6. I see this being my home for the next _____ years.
7. Do you have pets? _____
8. Are you a collector? Do you require a lot of storage space or are you more of a 'minimalist'?

continued

9. What kind of presentation do you prefer? Do you like the master bedroom in the back of the house or front? _____

10. Will you have children in your kitchen? Do you buy a lot of food at once or a little? Do you see the kitchen as a meeting place for socializing?

11. Describe your dream home. If you picture it in your mind and walk through, what do you see?

12. Use three words to describe your "style":
